

WATER BIKE **WR3**

The **Wellness** aquabike

WR3

A TRIM FIGURE !

The WR3 is the most versatile water bike in the WR range with a wide variety of adjustments to suit all shapes and sizes. Designed for everyday use, the WR3 combines the gentle resistance of its Aquaspeed 2 pedals with great pedaling fluidity. Its versatility makes it ideal for cardio-training sessions.

You will like its **ultra-light weight**, its carrying handle and its rapid drainage that make it **easy to handle**. The WR3 is recommended by many hotels and spas.

OPTIONAL ACCESSORIES

COMFORT SADDLE

TRAINING BAR

RESISTANCE BANDS
3 LEVELS AVAILABLE

AQUASPEED 2 PEDALS

The WR3 is equipped with Aquaspeed 2 thermo-moulded pedals with built-in straps. They accentuate the resistance effect by strengthening forward or backward pedalling power. They can be used with bare feet for added comfort.

CARRYING HANDLE

In addition to its ultra-light weight, the WR3 has a carrying handle to make it easier to manipulate and remove from the pool.

Barefoot comfort pedals

45° sport handlebar pedals

Gradual marking

Fast settings Click & Turn
